The Village is undertaking an update of its Comprehensive Plan to ensure that it reflects current community values, and **we need your feedback on the draft!** The Plan documents the Village's current conditions, vision for the future and action items, and development preferences, serving as a guide for decision-makers for the next 10 years.

Please visit the Village website (www.villageofspringvilleny.com) to review the Draft Comprehensive Plan Update online. A hard copy is also on display at Village Hall.

All are welcome to attend the Community Open House and Steering Committee Public Hearing! It will be an opportunity to learn about the Plan update process and draft content and provide your feedback.
